
Wealth Securities Online now operational!

Posted by jlg888 - 2008/03/04 14:50

Greetings!

I am glad to inform you that Wealth Sec Online is now running.

To answer a few questions:

1. Commission will be 1/4 of 1% (0.0025)
2. Minimum cash deposit is Php10,000
3. Trading platform works with Windows or Mac OS without any problems
4. To deposit cash, you may so by doing any of the following:
 - a. personally bring cash and deposit it in our office
 - b. deposit cash to Wealth Securities' account in Union Bank of the Philippines or East West Bank.

After depositing your money in our account, please contact me to make sure we receive the money deposited. There were instances where money was credited to the wrong person. :cheer:

Please feel free to visit www.wealthsec.com or contact me for futher details.

For easier application, please contact me using any of the following information given below.

Thanks,

Must try

Why doesn't the virtual tour function when I clicked it?

Hi Gucci!

The virtual tour is not working yet, but the site is already working and can execute trades if you have deposited money into your account.

What you can do is to sign up and get a user name and password without depositing money in our account, and use the site until March 15.:laugh:
